to let you live in them forever."

YOUR PRIVATE ISLAND SANCTUARY

A HOME FOR EVERY GENERATION

Somewhere between the whispering palms and the gentle lull of the waves, you will find a home that is wholly yours. A sanctuary where the world outside disappears, and family bonds are woven into the very fabric of your surroundings.

Wake to the scent of salt and sun-kissed mornings. Let little feet dance along warm wooden decks, laughter rippling through open-air lounges. Let evenings melt into deep conversation, the flicker of candlelight reflecting in the infinity pool as the ocean hums its lullaby.

The Nautilus's residences are designed for unbridled luxury and absolute privacy—thoughtfully crafted for multi-generational families seeking the rarest of treasures: uninterrupted time together.

Two-Bedroom Beach Residence (560 sqm) – A golden retreat nestled along the shore, with direct access to soft white sands, a private infinity pool, and endless ocean views.

The Nautilus Mansion (922 sqm) – The ultimate beachfront sanctuary for large families, where expansive living spaces, a private beach, and a vast infinity pool set the stage for a lifetime of cherished memories.

The Nautilus Retreat (542 sqm) – Suspended above a shimmering lagoon, this overwater haven invites you to wake up to nothing but the horizon.

For intimate multigenerational gatherings that transcend the ordinary, The Nautilus extends beyond a single house—offering the rare privilege of an entire island to call your own, where every moment unfolds just as you wish.

In this secluded hideaway, there are no walls between you and the extraordinary—only boundless space to be together.
